## Columns & Departments

**Cotton's Agenda:** The NCC delivers a legislative and regulatory update.

**Specialists Speaking:** Extension Specialists offer production recommendations from all regions of the Cotton Belt.

**My Turn:** Each month a different author talks about farm experiences.

**Cotton Board Report:** Six times a year, this organization offers an update on the latest developments in Cotton Incorporated's Research & Promotion program.

**Editor's Note:** Editor Tommy Horton offers commentary on ag issues.

**Web Poll:** *Cotton Farming* continues to interact with its readers by publishing the results of its monthly Web Poll question.

**Marketing:** A marketing column is published from the merchant, cooperative or independent broker perspective.

**Industry Comments:** Producers and industry leaders comment and offer feedback on key ag issues.

**Viewpoint:** A farmer or industry leader offers an opinion on an issue that impacts all of agriculture.

**Western Report:** Brent Murphree, Cotton Board Regional Communication Manager for the West, offers a report on production issues confronting farmers in California, Arizona and New Mexico.

**Ginning Marketplace:** Tommy Valco of USDA-ARS offers monthly advice on all aspects of ginning. *Cotton Farming* is the official publication for the National Cotton Ginners Association and the entire ginning industry.
